A new 3-digit route numbering system has been adopted to improve consistency and clarity for users. The new route numbers are unique across the Translink system allowing for ease of identification for users of timetable and other information.

For up to date public transport information:

**visit the website at
www.translink.com.au**

You can connect to Translink's comprehensive website for bus, train and ferry timetables, route maps and fares, as well as information about integrated ticketing and services.

The Translink website includes the Journey Planner service to help you organise travel times and explore various trip options. The Journey Planner will work out your best public transport choices for travelling anywhere within South East Queensland. You simply enter where, when and how you want to travel, and the Journey Planner will map your journey for you.

call Transinfo on 13 12 30

Transinfo connects you to travel information for buses, trains and ferries in South East Queensland.

For the cost of a local call, Transinfo makes your travel as easy and as simple as possible by providing:

- timetable, route and fare details for buses, Citytrain, Airtrain and ferries
- locations of bus stops, train stations and ferry terminals and walking distances to services
- details about interconnecting services
- public transport information linked to special events

Information about accessible services Transinfo operates services for non-English speaking callers, and for hearing impaired and speech impaired users.

Transinfo operates from 6am to 9pm Monday to Friday and 7am to 9pm on weekends and public holidays*
* closing times may vary.
